

Landstuhl Hospital Care Project Reaches GuideStar Platinum

Allows Donors to Focus on Progress and Results

STAFFORD, VA—Landstuhl Hospital Care Project has earned the 2018 Platinum GuideStar Nonprofit Profile Seal of Transparency, the highest level of recognition offered by GuideStar, the world's largest source of nonprofit information. By sharing metrics that highlight progress Landstuhl Hospital Care Project (LHCP) is making toward its mission, the organization is helping donors move beyond simplistic ways of nonprofit evaluation such as overhead ratios.

In accordance with LHCP's long-held belief in being transparent about our work, we are excited to convey our organization's results in a user-friendly and highly visual manner. By updating our GuideStar Nonprofit Profile to the Platinum level, we can now easily share a wealth of up-to-date organizational metrics with our supporters as well as GuideStar's immense online audience, which includes donors, grantmakers, our peers, and the media."

To reach the Platinum level, the Landstuhl Hospital Care Project added extensive information to its Nonprofit Profile on GuideStar: basic contact and organizational information; in-depth financial information; qualitative information about goals, strategies, and capabilities; and quantitative information about results and progress toward its mission. By taking the time to provide this information, LHCP has demonstrated its commitment to transparency and to giving donors and funders meaningful data to evaluate Landstuhl Hospital Care Project.

The Landstuhl Hospital Care Project encourages you to visit our profile on GuideStar to see what we're all about," LHCP is thrilled that our GuideStar Platinum Nonprofit Profile and its associated benefits help us better communicate our organization's exciting initiatives at a global scale."

Since 2005 the Landstuhl Hospital Care Project has been providing comfort and relief items for U.S. military members who become sick, injured or wounded from service and deployed members around the globe.

About GuideStar Nonprofit Profiles

The GuideStar database contains a profile for every tax-exempt nonprofit registered with the IRS. GuideStar encourages every nonprofit to claim and update its profile at no cost to the organization. Updating allows nonprofits to share a wealth of up-to-date information with more than 8 million people who visit GuideStar to learn more about nonprofit organizations each year. Updating also allows nonprofits to share information with the more than 200 philanthropic websites and applications that are powered by GuideStar data. To reach a given participation level, organizations need to complete all required fields for that participation level. The GuideStar participation levels acknowledged as symbols of transparency in the nonprofit sector are displayed on all updated participants' profiles in the GuideStar database.
